EXCELLENCE

CONSISTENTLY RANKED AS ONE OF THE TOP 7 HONORS COLLEGES IN THE NATION, Macaulay provides exceptional students with an outstanding, rigorous education in New York City. Our students represent the top 4% of the 13,000+ incoming freshmen on eight CUNY campuses: Baruch, Brooklyn, City, Hunter, John Jay, Lehman, Queens, and Staten Island. With close guidance from a team of dedicated honors advisors, Macaulay students design highly personalized academic programs that draw on classes in more than 350 majors across the CUNY system.

EXPERIENTIAL LEARNING

Experiential learning is key to a Macaulay Honors education. In addition to maintaining a high GPA and completing a series of interdisciplinary core seminars, all Macaulay students are required to either study abroad, participate in an approved internship, or conduct independent research. These beyond-the-classroom experiences develop critical thinking, inspire a global viewpoint and give our graduates a professional edge.
